- ❖ The knowledge areas you need to master for the exam.
- ❖ How to best prepare for the exam

SUBJECTS

- ❖ Contents of the Certification exam.
- ❖ Introduction to the PMBOK[®] Guide
- ❖ The ten knowledge areas.
- ❖ PMI's Code of Ethics.
- ❖ Exercises and Practice exams

PREREQUISITES

To be eligible for the exam, candidates are required by PMI[®] to have an established minimum number of hours of experience.

This program provides you with the knowledge and self-confidence to do well on the PMP[®] certification exam by the Project Management Institute (PMI)[®].

Just like the exam, this program is based primarily on A Guide to the Project Management Body of Knowledge (*PMBOK[®] Guide*) – Sixth Edition, Project Management Institute, Inc., 2017, but it also includes other material relevant for the exam.

The program is suitable for those who have little or no experience of the *PMBOK[®] Guide* and more experienced students alike.

TRAINING METHODS

Program with Tutoring Format: VCT live sessions led by an instructor and access to the X-AM exam simulator.

Participants are given homework to complete between sessions.

TARGET GROUP

Experienced Project Management professionals who intend to take the PMP[®] Certification exam

DOCUMENTATION

A manual with the program material will be provided. In addition, the following books are used:

- ❖ *The PMBOK[®] Guide*
- ❖ PMP[®] Exam Preparation, by Rita Mulcahy
- ❖ X-AM Simulator Licence

PMI, PMP y PMBOK are registered marks of the Project Management Institute, Inc.
