

YOUR PMO IN THE CLOUD

A partially Outsourced PMO (Project Management Office)

As Project Management becomes more important within organizations, Project Management excellence centers – so called PMOs, tend to be established.

The “Your PMO in the Cloud” service is focused on supporting and helping your PMO with specific activities, which can be performed remotely.

THE SERVICE

The “Your PMO in the Cloud” service from GreenlightPM can support your PMO with:

- ❖ Project Management
- ❖ Project Portfolio Management tasks.
- ❖ Competence Development – Training
- ❖ Mentoring and Coaching
- ❖ Continuous improvement by enhancing processes, tools, models and methodologies
- ❖ Project administration, Support and Control
- ❖ Project Audits
- ❖ Configuration Management
- ❖ Project Assessments and Recovery

The service is based on the GreenlightPM PMO Model, and can be delivered remotely and when needed on-site.

PMO 3.0 MODEL

We use our 7 area PMO Model to define the responsibilities of the PMO.

Each area covers some 15 activities, divided Into 3 levels;

Basic, Intermediate and Advanced, which are implemented step by step, as the PMO matures.

OUR APPROACH

GreenlightPM can support you from our GPM-OC (Greenlight Project Management – Operation Center), using:

- ❖ Experienced and competent consultants and trainers.
- ❖ “Your PMO in the Cloud” Web portal.
- ❖ The internet version of GPM®
- ❖ GreenlightPM Learning Platform – Based on Promote®
- ❖ Project Management Tools; PPO, Clarity, MS Project Microsoft EPM, etc.
- ❖ Communication tools such as email, telephone, video-conferencing (HD-video), Webex Training Center, MS Lync etc.
- ❖ Internet based questionnaires to do surveys and analyses.
