

PROGRAM MANAGEMENT AND PREPARATION FOR CERTIFICATION (PGM_CERT) (3 days, 24 hours, 24 PDUs)

AFTER THE COURSE YOU WILL

- ❖ Know what a program is.
- ❖ Why management by programs can be a better option.
- ❖ How to establish, manage and document a program
- ❖ How to manage and steer projects within a program
- ❖ Understand the structure of the PgMP® certification exam.
- ❖ How to prepare yourself in the best way to pass the certification exam.

TRAINING METHODS

We apply a training method based on “learning by doing” and “accelerated learning”. This means optimizing your learning by combining the trainer’s input with your own experience and active participation.

The course is based on the 2 day program management course, with 1 extra day for certification preparation.

The course is aligned with the Project Management Institute (PMI)® Standard for Program Management – Third Edition.

Trainer support is included

TARGET GROUP

Experienced Project and Program Managers who intend to pass the PgMP® certification exam, or want to learn more about Program Management

Program Management is maturing as a standardized way of working.

In consequence, the popularity and demand for the Program Management Professional (PgMP)® certification is on the increase.

This course provides you with the knowledge and self-confidence to prepare for, and do well on the PgMP® certification exam.

The course has been adapted to Ericsson.
