

PRINCE2® 2017 Foundation & Practitioner (PRP)

Classroom: 5 days, 40 hours
Virtual: 10 sessions, 4 hours/session

PRINCE2® (PRojects IN Controlled Environments) is a project management methodology designed to ensure that projects meet their objectives, within constraints and deliver stated benefits.

The course includes 2 exams; PRINCE2® Foundation and PRINCE2® Practitioner.

The hands-on approach in the course means high pass rates for the 2 exams, which are taken as part of the course and always included in the course fees.

You will need to complete the pre course reading provided prior to attending the course.

COURSE OBJECTIVES

- ❖ Comprehensive understanding and know how to apply PRINCE2 and its 7 principles, 7 processes, 7 themes, checklists and roles in real projects
- ❖ Be confident in implementing PRINCE2 within their own organisation
- ❖ Be a qualified PRINCE2 Practitioner (subject to passing exam)

TRAINING METHODS

The course consists in a combination of theory and practice, and the 2 exams; PRINCE2® Foundation and PRINCE2® Practitioner.

TARGET GROUP

This PRINCE2® Practitioner training course is aimed at any level of project staff that requires a formal qualification in the project management method.

PREREQUISITES

Participants will receive a copy of the PRINCE2® Manual and a pre-course Workbook prior to attending.

It is strongly advised that the participants begin the pre-course work and reading (in total some 20 hours), no later than 2 weeks prior to the course start date.
